

SET UP YOUR FUNDRAISING PAGE FOR THE WALK

As soon as you are finished registering, you will be promoted to login to your fundraising account.

Once you're logged in, check out [My To Do List...](#)

Step 1

Click **Customize my fundraising page** to personalize the message on your page & upload a photo.

Step 2

Start fundraising by sending emails to friends & family asking for donations.

Step 3

Click **Record pledges personally collected** to print off a paper pledge form and record cash & cheque donations.

Creating your fundraising page & asking for donations is easy to do, just follow the instructions on the page. We have even started you off with some language that you can customize as you like.
