**Sample email message: make sure to include the link to your personal fundraising page**

*I am raising funds for St.Amant by participating in the 2022 Free the Spirit Festival!*

*I will be walking with hundreds of other supporters as we celebrate reconnecting in an inclusive community and the great work done at St.Amant every day. The money raised will go towards recreation programs, personal equipment, as well as education and training, and so much more. The people supported by St.Amant rely on these programs to achieve fulfillment, to be able to socialize and lead full, active lives - many of the things we take for granted.*

*Can I count on you to make a donation to help me reach my fundraising goal? It only takes a minute and every dollar counts!*

*I'd also love for you to join me on Saturday, September 24th between 10am and 2pm at St.Amant (440 River Rd.). You can join me on the walk or simply stop by to enjoy a free day of entertainment, games, prizes, artisan market and more!*

*Thank you in advance for your support.*
